

**HUNTINGTON BEACH CITY SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

BRIAN RECHSTEINER

OCCUPATION: Trustee Huntington Beach City School District
Businessman

It has been my pleasure to serve as your trustee for the HBCSD for the past 12 years. During that time our district has had some great accomplishments: built the Mike Case wing at Dwyer School, reopened Peterson/Clapp Elementary School, recruited and hired an outstanding superintendent, built and opened Seacliff Elementary School, passed a bond to repair and rebuild our schools, improved student test scores, added 8 new Distinguished Schools and a National Blue Ribbon School.

Personally, I have always believed that kids come first. Cuts to any budget should be made as far away from the classroom as possible. I am a businessman with extensive management experience and have worked for the same corporation for 34 years. My wife Marsha and I have lived in Huntington Beach for 26 years and both of our children are products of this school district.

I am a member of the Huntington Beach Community Service Commission, the High School Community Action Panel, Board of Directors for the Kelly Weaver Memorial Fund, a PTA Honorary Service Award recipient and an active member of my church.

I will be proud to serve you and our district and would appreciate your vote in November.
